Additional Comments:

Discussion was held on if Kids Success would transport their students from Fox Lake/Lindenhurst to RGS

Routes currently are no more than 40 minutes long – Can place 71 students on a bus

Fleet size is 42 busses and is leased for one year – Busses have to be kept in perfect condition

RGS has 13 routes (morning and afternoon)

SGE has 9 routes (morning and afternoon)

NMS and RBCHS has 22 routes (morning and afternoon)

4 Vans – Mainly used for Special Ed. Students, meetings, coaches

8.6 miles currently between RGS and SGE

Mary Beth is currently working on how to manipulate the transportation software to create route scenarios

Would there be more wear and tear on the township roads with the more busses going through the townships?

Route maps were handed out to the committee members

\$1.85 per mile is the cost of a bus
