Additional Comments:

Complete building tours in mid-August, doodle to be sent out in late July

Will need room square footage info

Discuss the need for equity of classroom sizes

Listing of actual physical features and comparisons of them at some point for parents to evaluate importance.

List features each building has: and let parents evaluate importance as to which building is most appropriate to which factor

Initial survey list facility factors that we are considering and ask for input as to what we are not evaluating yet

Survey staff first as to what factors we are missing.

Broad questions asking for input from staff/parents in fall, then more rating of importance of factors by staff, parents in spring

Factors we will be considering:

- bathrooms being able to be used by k-2 and 3-5
- capacities of gym and cafeteria
- gym, cafeteria, and library usability by k-2 and 3-5
- necessity of use of mobiles
- usability mobiles by k-2 and 3-5
- playground equipment applicability
- one level usage versus split-level usage
