CUSTODY ISSUES

The courts must handle custody disputes. The school has **NO LEGAL JURISDICTION to refuse a biological parent access to their child and/or school records.** The only exception is when a **signed restraining order or proper divorce paperwork specifically stating court ordered visitation, limitations, are on file in the school office.** Should any such situation become a disruption to the school, the police department will be contacted and an Officer will be requested to intervene.

PARENTS ARE ASKED TO NOT INVOLVE THE SCHOOL SITE IN CUSTODY MATTERS.

The school will make every attempt to reach the custodial parent when another parent or any person not listed on the Family Emergency List attempts to pick up your child.

I have read and understand the above statement.
