Once a year students have the opportunity to sell Butter Braid, a delicious large pastry. This is designed to help students offset the cost of any NMS activities of their choice. This is not a school or district fundraiser. **Students who chose to participate earn \$5.60 for every \$14.00 pastry they sell, and this money will be put into an activity account for them to use while at Nippersink Middle School.** Butter Braid samples and order forms will be available at 6th grade open house. All orders forms will be going home with your child/ren the first week of school. Orders will be going on the bus with your child unless prior arrangements have been made. These are frozen pastries and must be put back into the freezer when your child arrives home.
