Thank You to Our Volunteers!

A huge THANK YOU goes out to all of our parents, teachers and students who helped to make the 2013 – 2014 year a success! We appreciate all of your time and energy that

was given to the various events held throughout the school year. Whether you gave an hour or chaired an event...you made a difference! THANK YOU!!!

Sign Up Sheets are Ready!

Are you looking to get involved but you're not sure what events the PTO has planned for the upcoming year? Look for our table in the NMS library during both days of registration. The PTO is in need of a committee to help outline, prepare and host each of our events.

Whether you would like to take the reins and chair an event, or have just a few hours to give, be sure to check out all of our event information! Jot you name down on any committee you are interested in and you will be contacted when planning begins. Chair people always have the support of our board to help them plan a successful event. We are here to help!

“At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.”
- Jane D. Hull
